DETAILED ACTION

New grounds of rejection are contained within this Office Action. Accordingly this action has been made Non-Final.

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 15, 16, 18, 19, 20, 21 and 24 – 26 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In regards to claims 15 and 18, it is unclear whether or not the “storage area for collecting liquid and/or solid sample” set forth in line 5 is the same as the “liquid storage area” set forth in lines 6 and 8. In regards to claims 19 and 24, it is unclear whether or not the “area for gathering a solid sample” is the same as the “storage area for collecting liquid and/or solid sample” set forth in claims 15 and 18.

Allowable Subject Matter

3. Claims 15 and 18 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action. Claims 16, 19, 20, 21 and 24 - 26 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.
